2. You may login to sign up for games with your Alamaze account at: [Alamaze Order Entry](#) This login page is where you enter the username and password that you provided when you created your Alamaze account (not the same as your forum account).

3. When you login for the first time, you will be directed to the Alamaze Game Queue where you may create and sign up for games. You may play the free **Tutorial** as many times as you wish until you are comfortable with the user interface of entering your kingdom's actions before joining a real game.
4. Once you are ready for the next step, read the **Dual** tutorial. The Duel is a 2-player game so another player will join you when they become available. It is recommended that you post a note about the game on the Forum's New Game Signup Section:
